

NEW PLAN DEVELOPMENT & CORPORATE DISCOUNTS

WPS Disaster Management Solutions is proud to offer discounts to property owners who take fire and life safety seriously. WPS provides a free software subscription package for one year with every new fire or multi-hazard plan, as well as a corporate discount plan with favourable pricing to ensure occupants are protected from unexpected threats.

GET A FREE YEAR'S SOFTWARE SUBSCRIPTION

Purchase an effective and reliable safety plan developed by WPS

Get a free year's subscription to all of WPS's life-saving software and applications

Provide your building occupants with best-in-class life safety programs

Reduce your liability risks and save time managing your building safety

COST-EFFECTIVE EMERGENCY PLANNING

In addition to our new plan development promotional discount, WPS offers a corporate discount plan that applies to all buildings that are managed by the same property management company within Canada or the United States.

With pricing levels ranging from 10% - 25% off, our corporate discount plan provides an advantageous solution for protecting your building from a multitude of threats.

FIRE AND MULTI-HAZARD SAFETY PLAN DEVELOPMENT DISCOUNTS

At WPS, we cherish the valuable relationships that we have formed with an array of building managers and property management companies over the years. We are proud to offer our clients with five levels of fire and multi-hazard safety planning discounts when referring additional properties to WPS:

10%

2-4 Buildings/Plans

15%

5-9 Buildings/Plans

20%

10+ Buildings/Plans

25%

20+ Buildings/Plans
